*the rewards of carefully chosen alternative investments can be great but many investors don t know enough about unfamiliar investments to make wise choices for that reason financial advisers larry swedroe and jared kizer designed this book to bring investors up to speed on the twenty most popular alternative investments real estate inflation protected securities commodities international equities fixed annuities stable value funds high yield junk bonds private equity venture capital covered calls socially responsible mutual funds precious metals equities preferred stocks convertible bonds emerging market bonds hedge funds leveraged buyouts variable annuities equity indexed annuities structured investment products leveraged funds the authors describe how the investments work the pros and cons of each which to consider which to avoid and how to get started swedroe and kizer evaluate each investment in terms of expected returns volatility distribution of returns diversification potential fees trading and operating expenses liquidity tax efficiency account location role in an asset allocation program any investor who is considering or just curious about investment opportunities outside the traditional world of stocks bonds and bank certificates of deposit would be well advised to read this book*

*in knockout suzanne somers interviews doctors who are successfully using the most innovative cancer treatments treatments that build up the body rather than tear it down somers herself has stared cancer in the face and a decade later she has conquered her fear and has emerged confident with the path she s chosen now she shares her personal choices and outlines an array of options from doctors across the country effective alternative treatments without chemotherapy without radiation sometimes even without surgery integrative protocols combining standard treatments with therapies that build up the immune system methods for managing cancer outlining ways to truly live with the disease since prevention is the best course somers experts provide nutrition lifestyle and dietary supplementation options to help protect you from getting the disease in the first place whichever path you choose knockout is a must have resource to navigate the life and death world*

of cancer and increase your odds of survival after reading stunning testimonials from inspirational survivors using alternative treatments you ll be left with a feeling of empowerment and something every person who is touched by this disease needs hope

people invest in traditional assets stocks bonds and cash this is a textbook about other assets alternatives most all alternative textbooks seem to only discuss funded alternatives when discussing real estate it is usually assumed one buys the building totally separate are textbooks in derivatives buying with little money upfront unfunded we believe both funded and unfunded alternatives should be organized on what drives value not whether you borrow to buy the asset how to value both types of alternative assets are combined in this book the authors believe in the spiral method of teaching this book initially covers all alternative assets with minimal mathematics suitable for undergraduates and inquisitive investors a mathematics chapter follows and the material is presented again more rigorously appendices are presented illustrating the mathematical concepts exercises are also included to stimulate essay answers
