from forests to beaches from swamps to cities there s so much to see and do in america join a family as they travel from sea to shining sea this wordless picture book features beautiful illustrations that encourage children to use their own words to tell the story developing their language and reading skills this 12 page beginning reading book is ideal for children ages 3 5

a compilation of more than 120 folk songs tales poems and stories telling the history of america and reflecting its multicultural society illustrated by award winning artists

from the very beginning it would seem that god had a plan for america from its discovery by europeans to its settlement from the revolution to manifest destiny from the stirrings of civil unrest to civil war america was on a path in our pluralistic world when textbooks are being rewritten in ways that obscure the judeo christian beginnings of our country the books in the discovering god s plan for america series help ground young readers in a distinctly evangelical way of understanding early american history as young readers look at their nation s development from god s point of view they will begin to have a clearer idea of how much we owe to a very few and how much is still at stake these engaging books bring history alive in a way that will inspire young people to do their important part in shaping this nation into the future

after the revolutionary war our newborn country went through an exciting era of growth and innovation was god intervening on behalf of the struggling nation in this fast paced sequel to the bestselling the light and the glory you ll learn how america s future was threatened by greed pride and self righteousness you ll also see how in the midst of turmoil god raised up leaders to shape our unique country and character

this glorious state by state panorama of america s past and present helps young readers understand how the development of each state fits into the grand mosaic of america s history graphic delights greet the eye with every turn of the page includes a reference section maps a glossary and an index
