just about everything you should know about a handgun stresses safety
 you can never be too safe with your weapon i have the heart of a
 teacher and sometimes i get to foot stomping i can promise you
 whether you have never touched a handgun before or if you grew up
 with a handgun on your hip you will learn something from this book
 just about everything you should know about a handgun tells first
 time buyers how to choose a weapon then it tells you to buy that
 weapon and then buy another one exactly like the one you just bought
 don t worry i explain why in the book just about everything you
 should know about a handgun explains necessary equipment for the
 range and a little of what to expect on the range for your first time
 in just about everything you should know about a handgun we talk
 about murder both justifiable and excusable we also talk about deadly
 force stand your ground and duty to retreat we even talk about
 flashlights bet you gun experts did not see that one coming just
 about everything you should know about a handgun explains how and
 when to clean your weapon and talks about storing weapons cleaning
 equipment and ammunition all together and separately we discuss
 different kinds of ammo what kind of ammo to carry and what kind of
 ammo to shoot on the range we even talk a little about loading
 reloading your own ammunition just about everything you should know
 about a handgun explains what title 18 united states code means to a
 shooter we talk about revolver and semiautomatic handgun history how
 to grip and draw your weapon what different stances there are to
 shoot from and we train to shoot with both hands the state laws
 pertaining to carry either open or concealed for all fifty states and
 five territories of these united states are included in just about
 everything you should know about a handgun additionally there are

points of contact in each venue we discuss operations of a revolver and a semiautomatic handgun there is a pretty thorough review of holsters and ideas on how you might carry just about everything you should know about a handgun has a section i like to call gun a linguist so i did i was going to call it gun talk but there are about 253 bazillion references to gun talk in google so i made up my own word ergo gun a linguist and of course pictures lots of pictures my son told me ya gotta have pictures dad to visit the author s website please click here to visit the author s youtube channel link please click here
